

GOBOAT

LONDON

2017 IN NUMBERS

After a phenomenal success in Scandinavia, GoBoat London opened in Paddington in May 2017. Based in Merchant Square, Paddington Basin, GoBoat London is the only self-drive, powered boating experience in central London, and makes London's canal waters accessible to all.

LITTLE VENICE

8 boats in the GoBoat London fleet

The boats travelled 1,269 km from the boat-makers to their new home in Paddington Basin

GRAND UNION CANAL

GoBoats are made up of 80% recycled plastic

GoBoats run 100% on electricity

17,500 GoBoaters took to the water in 2017

GoBoats seat up to 8 passengers

The top speed of a GoBoat is 4 miles per hour

GRAND UNION CANAL

PADDINGTON CENTRAL

3 marriage proposals took place aboard GoBoats, with a 100% acceptance rate!

7 dogs a week accompany passengers

3 films and music videos were made on a GoBoat

Each weekend 5 sets of recycling rangers collect litter from the canal with nets

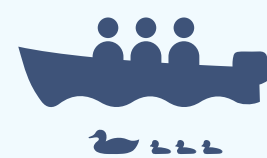

GRAND UNION CANAL

MERCHANT SQUARE

On behalf of the Paddington Partnership, GoBoat runs the **free Paddington Water Taxi**, which operates two lunchtimes a week in the summer. From July to October the water taxi ferried **919** passengers between Merchant Square and Paddington Central.

PADDINGTON WATER TAXI

GOBOAT | LONDON

Book now at our website for 2018, from March onwards.
