

# Paddington Community Programme 2022

## The year in numbers

Over the course of 2022 our Community Team has...

Enabled **1,475 employees** to volunteer – our highest number ever

Delivered **over 5,000 volunteering hours** to charities and schools

Supported employees from **39 companies** to volunteer

Placed volunteers with **31 charities and schools**

Organised **274** local one-off volunteering activities

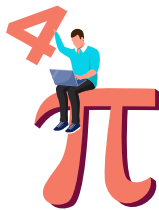

Reached **over 10,000 beneficiaries**

Reduced digital exclusion by providing tech support to **142 local residents**

Raised aspirations of **1,071 students** through business talks and placements

Supported pupils to solve **1,560 equations** through our school maths club

Transformed **39 community spaces**

Mobilised **over 1,250 donations** of furniture, food and clothing

Built connections through events for **634 elderly residents**

Enhanced the local environment by clearing **117 bags** of plastic waste

Offered companionship at parties and celebrations for **426 guests**

Spread festive cheer at **16 community centres and schools**
