

GOBOAT

LONDON

2018 IN NUMBERS

LITTLE VENICE

GoBoat London is the only self-drive, powered boating experience in central London, and its mission is to make London's canal waters accessible to all. Throughout 2018 Captains and Crew have been exploring the Regent's and Grand Union Canals, going through Little Venice and beyond! Based in Merchant Square, Paddington Basin, GoBoat is a fantastic way to spend time with friends, family and colleagues whilst watching London slowly drift by.

80,000 miles covered by GoBoats in 2018

60,000 customers on board

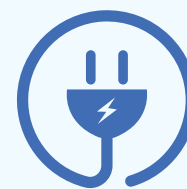

GRAND UNION CANAL

12 GoBoats in the London fleet

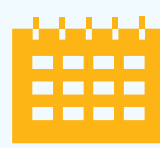

39 Press Trips aboard GoBoat

GoBoats run 100% on electricity

GoBoats are made up of 80% recycled plastic

5 major events and campaigns supported

GRAND UNION CANAL

PADDINGTON CENTRAL

7 marriage proposals with a 100% acceptance!

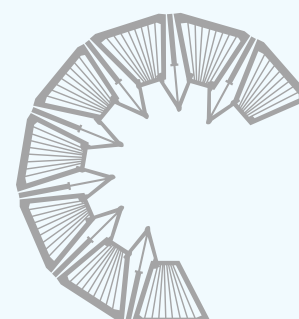

The top speed of a GoBoat is 4 miles per hour

450 dogs on board

7,000 picnics enjoyed on board
